

Taira Asakura

Product Designer & startup founder specializing in B2B SaaS and E-commerce. I lead end-to-end product strategy and UX design, translating complex user pain points into scalable, high-impact digital experiences from concept to launch.

Experiences

Lintra / Cofounder & Head of Product & Design

November 2025 - Present

- Architecting the creative end-to-end user experience, transforming qualitative data from user interviews into a streamlined reporting system for daily, weekly, and monthly patient updates
- Overseeing product roadmaps, setting strategic milestones, and maintaining rigorous quality assurance standards for launch

Silk Commerce / Product Designer

Sept 2024 - November 2025

- Directed the full lifecycle and launch of a B2B mobile app (iOS/Android), creating an AR tool that increased customer-sales communication by 20%
- Cut bounce rates by 30% by designing custom Shopify interfaces that streamlined complex multi-warehouse inventory logic
- Reduced cart abandonment by 25% by redesigning a high-volume industrial site on BigCommerce to align with B2B purchasing behaviors and prioritize product findability
- Facilitated discovery sessions and produced detailed technical documentation, including user stories, workflows, and acceptance criteria, while guiding multidisciplinary teams to deliver optimized e-commerce solutions aligned with business goals

Icarus Development / Product Designer Intern

June 2024 - Sept 2024

- Led the conception, planning, and prototyping of a calendar-sharing app aimed at improving user experience for efficient scheduling and collaboration
- Designed intuitive workflows and interfaces that streamline shared calendar management
- Converted finalized designs into functional code for both iOS and Android platforms

Lily Forbes / Marketing & Online Strategist Intern

June 2023 - July 2024

- Increased engagement and online sales by 5% through designing a visually appealing and user-friendly e-commerce website
- Researched potential partners with similar customer base to expand its presence
- Increased followers on Instagram by 10% by actively capturing and uploading videos and photographs of the new season's launch
